

Carbine residential knobsets are residential grade knobsets that are rekeyable to suit most commercial keys. They are superior quality at a great price. They can be ordered to suit most functions including entrance, privacy, passage, double cylinder and dummy.

**Features:**

- Available in cylindrical fixing (SC Series) and tiebolt fixing (SS Series)
- Easy to use
- Fully rekeyable
- Brass barrel
- Brass steel bolt
- Accessories such as rebate kits & spare parts available
- Finishes of satin chrome, antique bronze and polished brass

**Specifications:**

- Suits 5 pin C4 keys
- Rose diameter of 65mm
- Backset 60mm/70mm as adjustable
- Suits doors with a thickness of 35mm to 45mm
