

The Carbine Cylinders are a next generation product. Here's why:

Carbine cylinders are designed and manufactured to a much higher standard than "replacement" cylinders. Featuring higher quality pins and using precision factory processes to guarantee quality every time.

Features:

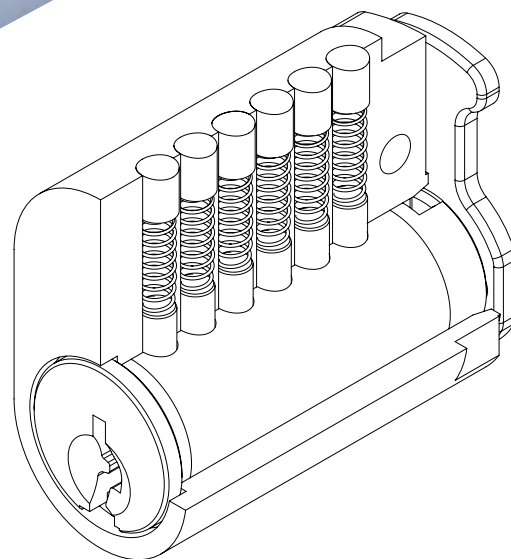

- Manufactured by a specialist cylinder manufacturer
- 100% compatible with all major restricted systems
- Superior quality plating lasts longer
- Improved finishes give a more professional look
- Phosphor bronze pin springs
- Comprehensive range of spare parts

OVAL CYLINDERS
